Hi Sonja,

[REDACTED] is still scheduled for 3/15. Our office issued a summons for you to appear, so I'm not quite sure why it hasn't reached you yet? If you would like, I can fax the summons to you. Let me know if you have any further questions/concerns. Thank you!

Hi Hailey-

Just checking to see if the [REDACTED] case is still scheduled for March 15th? (the letter I received said I would also receive a summons several days in advance, which I haven't yet) I'm curious as I may have a Superior Court case in Springfield starting on March 14th, with the possibility that the ADA won't need me until the 15th? (ther's also a good chance that it will plea) Thanks for any information you can provide.

Hi Sonja,

Thank you for e-mailing me about this. I have a report from our file that has the drug lab number (I hope it is the one you are looking for), but it is: [REDACTED]. If this is incorrect please let me know! Thank you

Hi Hailey-

I just realized that I never contacted you to let you know that I received your letter informing me of the [REDACTED] case scheduled for trial on 3/15/2012. As of now, I have no other cases scheduled for that day so I should be available. However, I do not see the drug lab number(s) listed for the submitted evidence, and I need the number(s) to locate my notes and data for the case. If you would kindly provide me with that information, it would be greatly appreciated. Thanks.
